

1 Mr. Chairman, it is getting pretty rough. Mr.
2 Chairman, we have used a lot of time. I have listened
3 for the past six weeks to lawyers, but my voice now is as
4 strong as theirs, but I think there is necessary a certain
5 amount of restraint. We have spoken again and again on
6 the same subject and we have lost motion for reconsideration
7 after motion for reconsideration and when we get into an
8 area like this we sit quietly and suppinely by and watch
9 a proposal like this go down the drain.

10 I learned one thing, Mr. Chairman, that when
11 you don't appear to have the votes or you have taught
12 me this since I have been down here. If you don't have
13 the votes, keep on talking. So I ask for some help.
14 All of those who stand with me, let's keep on talking.

15 Thank you, Mr. Chairman.

16 DELEGATE JAMES: The Chair recognizes Delegate
17 Borom to speak in favor.

18 DELEGATE BOROM: I want to speak against.

19 DELEGATE JAMES: Speak against. The Chair
20 recognizes Delegate Borom.

21 DELEGATE BOROM: Thank you, Mr. Chairman.
